A BRIEF HISTORIC VIEW ON THE ORIGIN OF THE B&C TOURNAMENT:

The first idea for a tournament where B and C players could participate against other unions was generated on the 5th of September 1994. It was during a meeting of the Springs Jukskei Club that they took the initiative to organise a tournament for B and C players to compete amongst each other. The initial planning was to have the tournament during the October 1995 school holidays at the Springs club. On the 19th of September 1995 they decided to move the tournament to Jukskeipark, Kroonstad. Reason being the number of teams and with 16 unions each with 3 teams they had to shift the venue to the jukskei "mekka", Kroonstad. Springs could not accommodate the tournament and it was a fantastic reason to move the tournament!

The first B&C Tournament took place in March 1996 at Jukskeipark and 12 unions participated. The next year the tournament took place from 3-5 March also with 12 unions participating. On Monday the 9th of March 1998 the founding meeting of the B and C association took place and they still continue to promote and render opportunities for the B and C players to play jukskei. Annually there is a festive atmosphere and players play in teams, pairs and trips not to mention the friendships and socialising that fills the air.

There was a historic moment at the AGM of JSA when in July 2011 when Jukskei SA approved to award the Corporate colours of JSA to the B and C best performers. In the three categories men, women and veterans the five best performers will be awarded JSA Corporate Colours. Congratulations!

KORT HISTORIESE TERUGBLIK OP DIE ONTSTAAN VAN DIE B&C TOERNOOI:

Die eerste gedagte vir 'n toernooi waar B en C spelers van unies teen ander unies kan gaan deelneem ontstaan 5 September 1994. Tydens 'n vergadering wat gehou word deur die Springs Jukskei Klub notuleer hulle dit die klub die inisiatief gaan neem om 'n toernooi vir spelers wat nie gereeld teen ander unies speel nie te organiseer. Hulle aanvanklike beplanning was om tydens die Oktober 1995 skool vakansie die eerste toernooi te hou te Springs Jukskei bane. Op 19 September 1995 word besluit om eerder die toernooi na Jukskeipark, Kroonstad te verskuif. Die rede vir die skielike skuif na die jukskei "mekka" Kroonstad is omdat 16 unies elk met drie spanne ingeskryf het en Springs te min bane het om almal te huisves. Wat 'n fantastiese rede om die toernooi te skuif!

Die eerste B&C Toernooi vind in Maart 1996 op Jukskeipark plaas en 12 unies skryf spanne in vir die toernooi. Die volgende jaar is daar 12 unies wat deelneem en vind die toernooi vanaf 3-5 Maart 1997 plaas. Op Maandag 9 Maart 1998 vind die stigtingsvergadering van die B en C Jukskei vereniging plaas en word daar steeds goeie werk gedoen om aan die B en C speler ook geleentheid tot deelname te bied. Jaarliks is hierdie 'n feestelike atmosfeer en speel die spelers in spanne, as pare en driespel om nie van die vriendskappe en kuier te praat nie.

'n Geskiedkundige moment was verlede jaar tydens die JSA AJV toe die besluit bekragtig is dat die B en C uitblinker spelers amptelik erken word. JSA se Korporatiewe kleure sal voortaan aan die "5 Beste Uitblinkers" in die mans, vroue en veterane kategorieë toegeken word. Baie geluk byvoorbeeld!
